Size H or 5mm crochet hook

Starting ring: crochet 3 chains using 2 or 3 threads of pure wool or cotton yarn held together, slip stitch last chain to first chain to make a ring.

Round 1: Chain 2 ( this counts as your first stitch), work between 10-15 single crochets into the ring ( depending on the thickness of the yarn). Slip stitch the last single crochet to the top stitch in the chain 2 that started this round.

Round 2: Chain 2. Single crochet into the next two stitches, then do 2 single crochets into the next stitch, single crochet into the next two stitches, then 2 single crochets in the next stitch. Repeat this around the circle. Slip stitch your last single crochet into the top of the chain 2 that started this round.

Round 3, 4, 5, 6, and on: Repeat round 2 until your circle is at least 7cm to 15cm, for each following round crochet ONE single crochet into each stitch. You will see the sides begin to form. Crochet until the sides are about 5-7cm high. Bind off and weave in the loose ends.
